You didn't specify the location of your area. But first raise a RTI application to the SSP on this subject. However PP can be denied to the people whose criminal cases are pending in the court, but even in their cases also the accused has to take permission from the court concerned.

The reasons stated by you does not appears to be reasonable. There must be a valid and justified reason for rejection of verification of passport. You can ask the reason through RTI qry

Mr Patel

No doubt that a passport is the Fundamentl right of every Indian citizen. Police may act in the manner of rejecting application from a paticular locality when it is sure that locality is inhebited by Indian residents. Are you an illegal immigrant to India? If it is not so why this question is not raiseed by any one from your locality before any legal authority by anyone earlier.
