About me

📍 Member Since : 26 June 2013 (Mumbai)

I, Namita Shah (CA, CPA(USA), LLB, Certified Mediator), am a partner at Edgecraft Technologies LLP. Our company's vision is to make ADR the 'appropriate and primary' dispute resolution mechanism in the country. Our platform aids people in choosing the optimum path for preventing and resolving disputes amicably and expeditiously, and empowers them to execute the same.

We also run an initiative called KYABAE, "Know Your Adhikaar Before Anything Else", which is a consumer oriented platform through which we aspire to reach out to millions, aiming to increase awareness and bring together the consumer community. (www.kyabae.com)
