- Physical Therapy, pain science and movement dysfunction
- neck, back, shoulder, hip, knee, ankle/foot pain; sports injuries
- concussion management, chronic pain, ergonomics and posture

I work with people who are not ready to give up their active lifestyle because of pain or stiffness. I help people feel better, move better and get back to normal again while avoiding medications and surgery.

- Fitness clubs
- Recreation centers
- Classes for adults

Active Living Activities: • Classes for children

- Worksite wellness

Health and Wellness Tools & Resources: • Preventive care
