### Korte beschrijving

DJ Jerome

### Informatie

in 1984 Jerome started mixing music with one recordplayer and an old cassette player. At the age of 17 (after having been a bedroom/local dj for some years) he started to dj at the 'Fresh to Impress' hiphop nights at Paradiso Amsterdam. With the appearance of house music his focus changed to this new energetic form of dance music. He then started his residency at Dwiezels in Haarlem where he dj-ed for more then three years. He also discovered his production and remix skills that resulted in doing succesfull productions for labels such as Music Man (B), 100% Pure (NL), Artform, Alola & Offshoot (U.K.). He also remixed records for the likes of Joel Mull (Sweden), Laidback Luke (NL) & Jamie Anderson (U.K.). Nowadays Jerome is a respected producer and dj in his own style, his records often enter the U.K. charts. He has been spinning at big festivals and parties like Dancevalley, Chemistry, Awakenings (NL) and The End (U.K.).
