## Winter festival

### Christmas for all inhabitants of Blois

A skating rink to thrill one and all, a sledge run for small children, a real Christmas market, films, magic, music, themed events in every district of Blois, not forgetting all the Christmas decorations and lights in the city... The idea of this festival is to present various entertainments during the Christmas festive period, to allow inhabitants to see their city under another light! Mobilising almost all the city's services, this operation is also backed by a large number of partners, including the city's shops, to make it a truly festive moment.
