## Mix'Terres

### A festival of intersecting arts

**Music, dance, modern circus... Mix'terres is 3 days of spectacle representing various cultures and artistic disciplines organised by the Maison de Bégon.**

This is the chance to discover, reveal or see again a wide ethnic variety of artists. More than twenty professional and amateur shows of excellent artistic quality are available for over 8,000 festival-goers. A festival in keeping with the challenges of our time, where arts, races and publics overlap.
