Listing description

Jenny's Dispensaries provide a reprieve from the hustle and bustle of your daily lives. With comfortable surroundings and knowledgeable sales associates, we take seriously our mission of providing the best quality cannabis for your recreational and medical needs. All of our products are tested to the highest state standards by an independent laboratory, and we work hard to be as sustainable and environmentally-aware as possible in all of our daily business practices.

Whether it is your first time or fiftieth, take a moment to consult with our highly educated sales associates either in one of our dispensaries or online. All Jenny's associates have in-depth knowledge of strains, terpenes, and general how-to's to make sure you are educated to ensure each product is right for you and your experience level. See for yourself - Not all Cannabis is created equal.
