Listing description

San Jose Medical Marijuana Card is a reputed company operating for many years. They have a team of licensed cannabis doctors who help patients get quick and legitimate 420 evaluations. They have a secure (HIPAA-compliant) platform that enables patients to obtain MMJ recommendations to get legal access to medical cannabis. Their online process comprises three steps—signing up an account by submitting all the necessary details, consulting with the doctor over the digital channel, and receiving your medical marijuana recommendation letter through the mail. Patients can choose from three plans—MMJ recommendations (new patients) - \$59, MMJ recommendations (renewal patients), and grower license - \$249.
