

European Landscape for SME Development Tools, Sources and Resources

Author:

IHF

Languages:

English

Description:

The Single Market is one of the greatest achievements of European integration as it establishes a market without borders and barriers for the free trade of goods and services within the European Union

The Single Market is made of more than 500 Ml consumers and encompasses the 28 Member States and some third countries that participate to the Single Market by virtue of multilateral or bilateral trade treaties, such as Iceland, Liechtenstein and Norway (European Economic Area) and Switzerland (bilateral treaties)
