[Street Furniture](#) [Underground Refuse Systems](#)

Short description

For over 30 years, CONTENUR has played a major role pioneering the design and manufacture of waste container systems. Today we are a global business and committed to the on-going development and improvement of urban waste container systems. We have a large portfolio of products to support all urban waste collection requirements and have been doing so in the UK for almost 20 years. We pride ourselves on offering value for money products and exceptional customer service
