Short description

Founded in 1904, Johnston Sweepers is one of the world leading manufacturers of outdoor surface cleansing equipment with machines operating in over 80 countries worldwide.

Designed and built in the manufacturing plant in Dorking, United Kingdom, Johnston Sweepers produces the most comprehensive range of road sweepers and sweeping equipment for a diverse range of applications and the toughest cleansing challenges, designed for ease of use, outstanding performance and lowest cost of ownership.

State-of-the-art engineering design facilities and manufacturing techniques ensure that our product range continues to be an industry quality leader.

Johnston Sweeper is committed to producing equipment that incorporates all the very latest
