Business Description

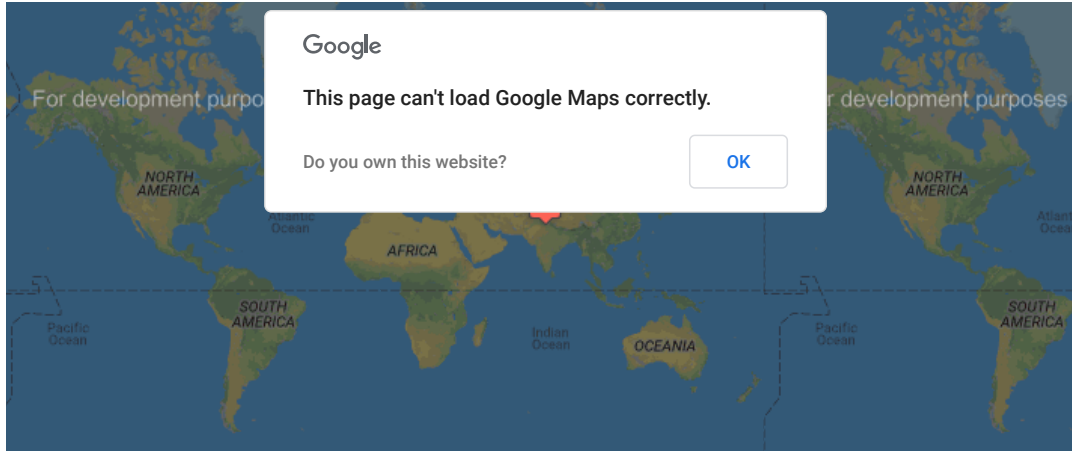

A subsidiary of Vouchagram India Pvt. Ltd., GyFTR is an online voucher gifting website. The website has a vast catalogue of gift vouchers for almost all the top brands in India across different categories. In addition to being in the business of buying and selling instant gift vouchers, the online voucher gifting website also provides with an opportunity to earn points to send a free gift or gift card. Functional since 2012 in India, GyFTR has a vast catalogue of vouchers, ranging from apparel and accessories, footwear and accessories, fine dining and resto bars, ice cream and coffee shops, mobile and electronics, health and beauty, and cinema to cab services and online shopping.
