## Business Description

Saturn does not give reward easily and to get good results one had to work really hard to achieve their goals but still it would not guarantee that goals would be fulfilled. In other words, you had to forget about the results and work in right spirit without thinking of the fruit.

On the other hand Rahu is another malefic planet in Vedic astrology. Rahu is friend of Saturn and can give exceptionally good results when placed with Saturn in Capricorn, Aquarius, Libra and Taurus.

As Rahu is placed with Saturn in Libra which is very rare occurrence which can give unexpected good results to the native provided Rahu is benefic in birth chart.
