Business Description

COMPTECH EQUIPMENTS LIMITED (CEL) is manufacturer of air and gas compressors and provides total compressed air solution for various industries. Comptech have experienced continued growth in sales and have expanded its state-of-the-art manufacturing facility to an area of 10000 sq meter at Zak industrial zone on outskirts of Ahmedabad (Gujarat, India)

Being a second generation organisation, having experience of over 45 years in manufacturing and tremendous knowledge in the field of compressor industry, CEL has been able to design & manufacture most reliable energy efficient wide range of products ranging from lubricated and non-lubricated reciprocating low & high pressure compressors, Vacuum Pumps to Rotary Screw Compressors and tailor made compressors & boosters, this is our major strength. We are dedicated to continual R & D in our product, which helps us to grow faster & fulfil our customer (dealers) requirements. We are innovative, flexible and committed to our customer's requirement.

QUALITY COMMITMENTS

We herewith promise complete satisfaction to all COMPTECH products users in lieu of what they've spent on it. Our whole system is quality oriented, weather it is a single piece or a large consignments.

We never cut corners to save some money, never escape processes & testing to save time, never use inferior material and never indulge in unfair dealings to garner undue profits. It's our aim to give highest quality at fair price, because we know that long – lasting performance' of our products is the only formula for our survival and success.
