Business Description

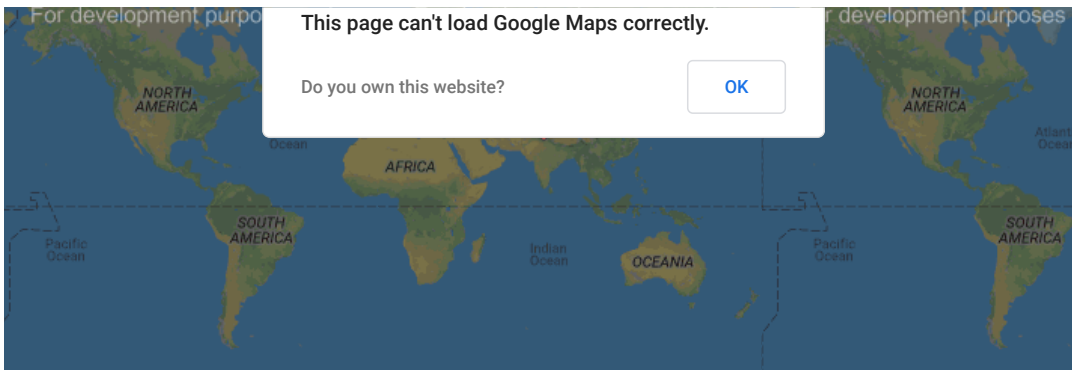

Specialist in laptop repair, we are one among the leading companies that provide the best laptop repair service in the industry. Our high-quality service guarantees are the best among other service providers. We offer a range of services from your home computer to small, mid-level, and enterprise businesses. From fixing power connectors to changing screens and components on motherboards to repairing both common and obscure laptop faults, we are skilled in all. Our service is unparalleled in every laptop environment. Our experience covers working on machines from almost every maker, including Acer, Apple, Advent, Asus, Dell, HP, Compaq, Toshiba, Sony, etc.
