Business Description

Improves social connection through breakout sessions that focus on communication and collaboration skills, using teamwork exercises, role-plays and public speaking.

Play and exploration through technology, arts, drama, movement puzzles, music and gadgets enhance creativity, innovation and critical thinking.

Ensures stress management and emotional wellness by attention/focus training and mindfulness. Promotes positive mental habits such as grit, gratitude and optimism.

Dolphin PODTM is a world class-learning centre that provides a fun, interactive and inspiring education unlike anything children receive anywhere else. By utilizing the latest neuro scientific methods for Innovation, Social Leadership and Wellness, Dolphin PODTM teaches the key 21st century skills of

Consciousness Quotient (CQ) - Creativity, Collaboration, Communication, Critical Thinking and Contribution.

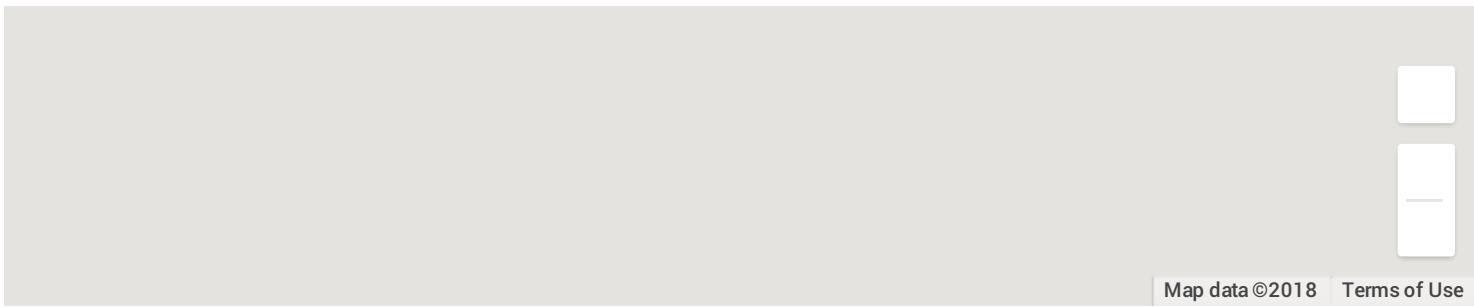

These skills are the building blocks for a happy, strong, healthy and meaningful life. Through real world experiential learning, Dolphin PODTM develops a child's Emotional Wellness, Adaptability, Social Skills, Innovation, Ethics and Resiliency. Through our research based methods, children will become smarter, healthier, happier and better equipped to operate in the constantly evolving, ambitious and cohesive society.
