They are the essential thinking of our organization. They influence the way we work with each other – and the way we serve our customers and engage with our communities. Each day each one of us helps make choices and decisions that straight impact the way we expertise each other and the way our customers experience us. Our values give us assurance and we are using the same ideas to help us

make these decisions throughout our organization.

In opening the Nandhana Restaurant the aim was to offer our clients with the ultimate dining experience and online food delivery. With a light modern feel and exquisite food, the Nandhana Restaurants is the perfect place to enjoy a family meal/celebration or a romantic meal for two.

Our dishes are delicious due to the unique recipes and strategies of slow food preparation used by our culinary experts, some of whom have been with us for many years.

These qualities not only create our cuisine tasty for dinner but an ideal choice for lunch too.

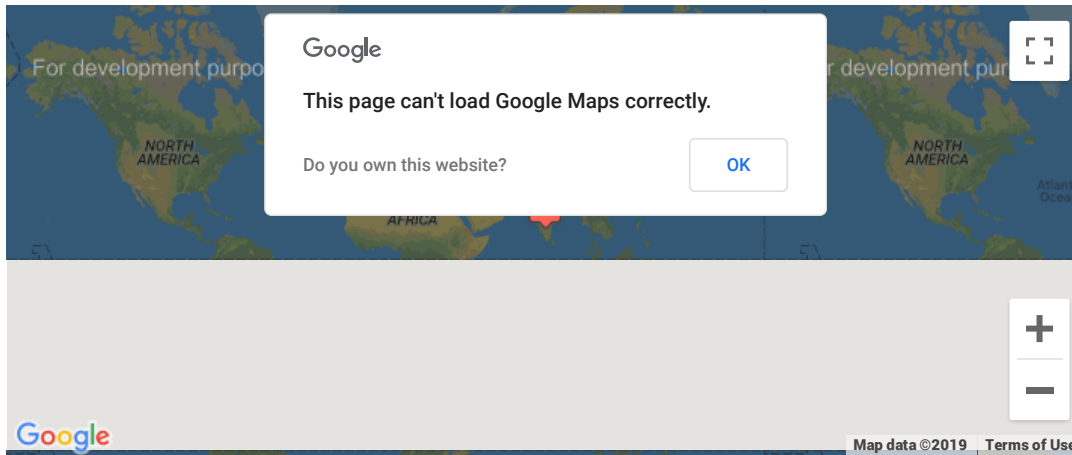

With strong focus and dedication towards quality, excellent service, and warm kindness, the Nandhana Restaurant Group utilizes a team of highly experienced & knowledgeable chefs to produce reliable and tasty food who come from those regions and supported by a strong control team at different levels to ensure the standard.

Mission : To deliver value through delicious food & quality services to customers.To follow fair and transparent business practices that benefit our customers,employees, suppliers and other stakeholders in our ecosystem.
