Add Your Rating: 

Business Description

Patientedu is an online doctor consultation platform where users can get medical advice from doctors. We provide various channels to contact our doctors such as posting as a health query or booking a slot for real time face-to-face consultation over Vedio or Phone (it will be a private/secure call back) Or Chat Or E mail for second opinion. One can use our service to consult with highly qualified doctors in the field Laproscopic, Gastrointestinal & Bariactric surgeon at the comfort of your home.

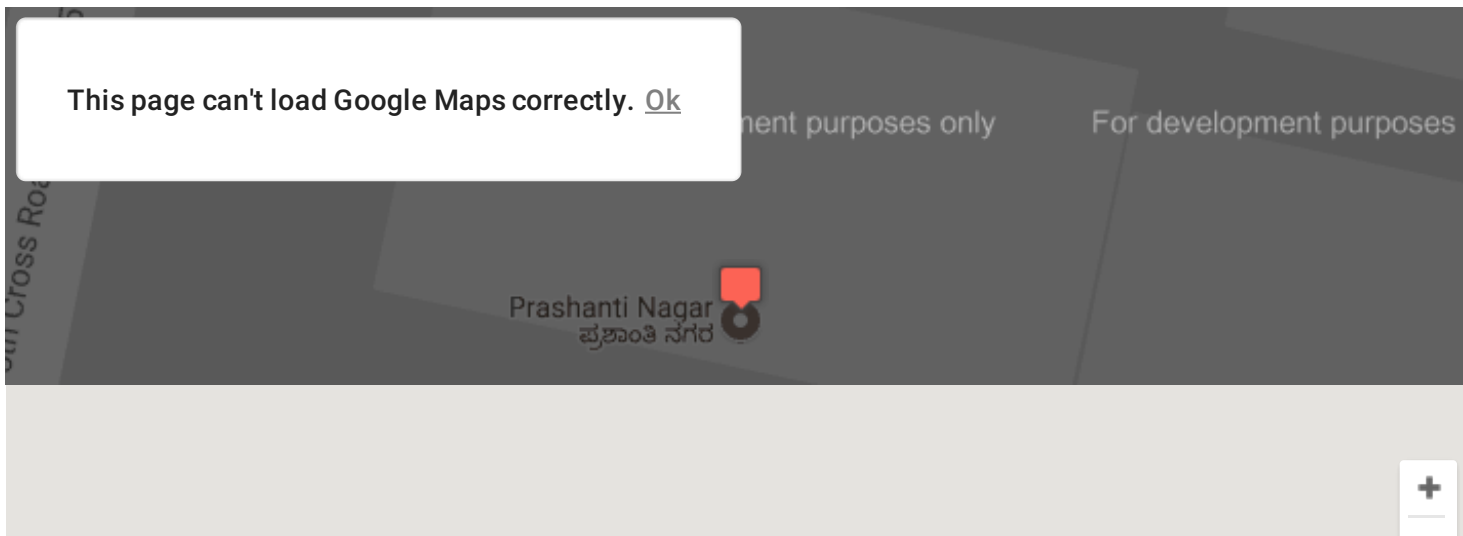

Before embarking on your journey to India for treatment you can submit your medical reports online and consult. Expert will discuss possible treatment options available after reviewing your reports. You can access all the information regarding you medical condition. We provide wide range of assitance at fixed cost.
