## Bidding Suppliers

### REGISTRATION

#### REGISTRATION IS CLOSED

All suppliers intending to submit a bid for the DMEPOS Competitive Bidding Program Round 1 Recompete must have completed registration for a user ID and password in the Centers for Medicare and Medicaid Services (CMS) **Individuals Authorized Access to the CMS Computer Services (IACS)** system before registration closed on October 19, 2012, at 9:00 p.m. prevailing Eastern Time. Suppliers must have a user ID and password to access the online bidding system (DBidS) and submit a bid.

**Although registration is now closed, registered users may continue to access IACS to modify their profiles.**

Users may modify their IACS profiles to update contact information including e-mail addresses, mailing addresses and phone numbers. We will use your e-mail address to send you information during the bidding period, so it is extremely important for you to keep your e-mail address current in IACS.

Please review the *IACS Reference Guide* or click the *Instructions on How to Create or Modify an Organization* link for step-by-step instructions and tips to help you modify your profile successfully. You may also reference the *IACS Technical Guide* for detailed information about IACS. If you have any questions, please contact the CBIC customer service center at **877-577-5331**.
