Sid's Discount Liquors was founded in 1998 with the sole purpose of saving our customers money while offering a wider range of items than the other warehouse / club stores. A look at the market revealed that there were consumers that were willing to give up a little selection if it meant better pricing. Sid saw demand and created these fine stores. Along with our Big Top chain, Sid's is capable of bringing more to its customer than any of the warehouse stores.

With six locations, we are designed to meet the needs and demands of the local clientele. All of our stores are unique, each offering its own special shopping experience. We are proud of the fact that each store is staffed with extremely knowledgeable managers and staff. See for yourself.
