### ☰ Message From the Owner:

The **Minnesota Dental Association** recommends that you have your mouth checked by a dentist at least once a year (most of our patients visit every 6 months).

If you have found the right doctor for your dental services, fantastic! If you do not presently have a doctor to care for your dental needs or if you're looking to make a change or need a second opinion about your care; we have someone just right for you at Park Dental.
