Message From the Owner:

Mark E Tracy

President, Attorney

Mark Tracy, founder and managing partner of the Tracy Law Firm, has been representing clients for more than 30 years. Prior to starting the firm, he spent 14 years as an insurance defense attorney, representing some of the largest insurance corporations in the country. This gave him a deep understanding of how insurance companies process the claims of people who are disabled. Mark eventually decided that his true passion was in helping people suffering from injuries and disabilities, rather than insurers. At Tracy Law Firm, he leverages his vast experience to provide his clients with unparalleled guidance and advice, as he knows exactly the tactics the Social Security Administration and insurance companies use to deny claims.
