Practice Experience

Adam Cerbone began legal practice in Savannah, Georgia over 30 years ago. [Divorce](#), [Child Custody](#), [Child Support](#), [Family Arbitration](#) and [Spousal Support](#) are the focus of his practice. He was voted "Best Divorce Attorney in Savannah" by Connect Magazine and has established a reputation for honesty, integrity and fierce cross-examination. His "bulldog way" in the courtroom is well respected and Mr. Cerbone has a distinguished ranking from his peers for meeting very high criteria of general ethical standards.

Adam Cerbone is considered one of the preeminent divorce attorneys in Georgia for good reason; here are just a few examples of his recent work:

- Secured an award of \$7.6 Million of an \$8 Million dollar marital estate for a prominent local neurosurgeon in a complex divorce trial, which ended his 9-year marriage.
- Negotiated a divorce settlement, granting his client 100% of a \$6.9 Million dollar marital estate.
- Obtained an award granting our client a lump sum payment of \$325,000, plus a new Ford Escape and a 17ft. boat following termination of a 4-year marriage.
- Won custody of minor children for a SCAD Professor, making him the first father to receive custody in a divorce action before the particular judge hearing his case.
- Convinced court to award custody to our client, despite the fact that she had previously been charged with stabbing her husband four times.
