Home

At the Crawfish Thai Restaurant we have attempted to create authentic Thai cuisine, by obtaining the finest ingredients from Thailand. That's why you'll find dishes seasoned with kaffir lime leaves, Thai basil, Pandun leaf and other essential ingredients. The combination of classical Thai authentic seasoning with fresh local produce gives us great freedom to create an extraordinary array of distinctive dishes, from the pleasantly mild to the intensely spicy. So no matter what your palate, our dishes are freshly cooked to your liking.

Built in 1833, The Crawfish Inn, [located on the main Fakenham to Holt road \(A148\)](#), is the only public house in Thursford Village. As a Free house we have a wide range of drinks to suite your taste from local cask Ales to a popular range of draughts beers and extensive wine list. We have a warm and friendly bar area, ideal for enjoying a social drink and get together. For a less, informal dinner, food can be served in the bar area.

Opening times:

Dinner from 6pm - 10 pm (Open daily from 5pm to late during Thursford's Christmas show)

We are closed on a Monday but are open all Bank Holidays
