## Address:

500 East D Street, Encinitas, CA 92024, United States 92024

## Description:

D Street Beach is one block south of Moonlight State Beach in Encinitas, CA. As the name suggests the beach access is at the west end of D Street. The street ends at a nice viewpoint looking out over the ocean where surfers ride in on long rolling waves. A large wooden staircase is the access point to the mile-long beach also known as Boneyards that runs below the bluffs from Moonlight Beach south to Swami's point.
