CA Amit Parakh

CA,FRM, CS, CFA

Amit Parakh, an IIM Ahmedabad graduate is an avid trainer in the finance space. Having cracked CA (all India 14th rank), FRM, CS, CFA exams all in first attempt and being an Aditya Birla Scholarship nominee as one of the all India CAT toppers, he knows what it takes. He under his training venture FINSHASTRA regularly conducts study programs related to CFA, FRM, CA and himself has conducted courses/workshops for IIM Shillong, XLRI, Praxis, SREI, IFCI, ICICI Bank, NSE, Kotak Securities etc. Amit has worked extensively in the banking and equity research areas before entering academics. He has been with Structured Products Group, ICICI Bank, where he played a key role in carrying out valuation assignments, building credit rating models and structuring transactions. He has also been an equity research analyst with JP Morgan where he was involved in building valuation models and financial analysis of Indian IT Services companies. He takes active interest in capital markets and specifically, likes to get involved in valuation assignments. He conducts workshops on corporate finance, asset valuation, risk management and financial analysis.
