8 KEY POINTS FOR A SUCCESSFUL INTERVIEW

1. SMILE :-

This is the essential prerequisite to any communication in the professional world as in everyday life.

2. BE SHORT :-

All recruiters will ask you to summarize your profile and experiences. Present your point briefly and in relation to the proposed position.

3. START FROM THE BEGINNING :-

Speak about your initial education, it is a small but important point. Then talk about your experience from past to present.

4. EXPLAIN YOUR CHOICES :-
