Hope you all will enjoy .....

There was a man who had worked all his life, had saved all of his money, and was a real 'miser' when it came to his money.

Just before he died, he said to his wife...

'When I die, I want you to take all my money and put it in the casket with me.

I want to take my money to the afterlife with me.'

And so he got his wife to promise him, with all of her heart, that when he died, she would put all of the money into the casket with him.

Well, he died one Day. He was stretched out in the casket, his wife was sitting there - dressed in black, and her close friend & relatives were sitting next to her.

When they finished the ceremony, and just before the undertakers got ready to close the casket, the wife uttered ,

'Wait just a moment!'

She had a small metal box with her; she came over with the box and put it in the casket.

Then the undertakers locked the casket down and they rolled it away.

So her close friend asked ,

'Girl, I know you were not fool enough to put all that money in there with your husband as per his wish,

The loyal wife replied,

'Listen, I'm a Christian; I cannot go back on my word.

I confess and I had promised him that I will put that money into the casket with him.'

'You mean to tell me that you have put that money in the casket with him!?!?!?'
