God is great (CA final student) 23 July 2010

My only suggestion to ICAI is putup a board outside every branch of ICAI as "FOR INTELLIGENTS ONLY" with a danger sign

so that people like me will be cautioned properly before entering the premises of the great ICAI office.

who say ICAI Need intelligent people

they need hard worker not intelligent people

Intelligent people nowadays goes to engineering mba or medicine

Sir

I have not read your views on thread ICAI Should be ashamed of itself

You have analysed the problem very well, what I have said in my previous mail that you do not accept the improvement ideas. I take that allegation back.

Please ignore that.

Please see the pass % and think about our children to prepare after 10th to take commerce for CA or Science for Engineering.

I am also hopeless with CA institute.

I think if CA Institute take again exam. of all CA already pass than only approximate 75% CA which are already pass are failed as per new pattern.

I think CA institute should be closed the open entry in CA and give entry only who are passed in 12th more than 75% marks.
