I have cleared my CPT exam in 2007, thereafter cleared my CA PCC in 2011. Meanwhile i got selection in rajasthan electricity board as an accountant and i join it due to my family financial position. Now i am at age 30 i cleared my ca final 1st group but unable to clear 2nd group. However i am still trying to clear my 2nd group too as i want to prefix ca with name soon. I just want to know that passing ca after multiple attempts, can i still get another good job in govt sector or if i go in ica campus after completion of ca then can i still be shortlisted in any company/psu on the basis of experience. I really want to see growth in my career.

Why are you worried.? Believe me CA ki degree mein bahut scope hai. Main kaafi saalo ke baad depression se nikla hu a nd apni CA complete karne ja raha hu. I am 29. So now it is easy for you. Go ahead Neha and look at the bigger picture.
