Attached herewith questions which u can read before xam but my advice is to take a look of important topics, Abbreviations and charts given in modules.

Attached File : [6 it questions for 100 hrs itt training.xls](#) downloaded: 244 times

for module 1 focus on basics of computer, shortcut keys & abbreviations etc

for module 2 focus on database, internet, tally's theory

for online test read firstly all the highlighted text in both modules this is enough to pass out the all itt exams
