Hi All

I Need a small career advice from you all.

After Becoming CA in Nov 2018 Exams i started a job in Finance Department at Radisson Blu Hotel as Revenue Auditor.

I am doing this job since last one month but right now i am in a dilemma that whether hotel industry is good for a chartered accountant or not.

Please advice me on this matter as i am very confused.

Is this true that once i started my career in hotel industry, i will not be able to shift to some other industry. ??
