How is MI Sir (M Irfat) for Costing for CA Inter (new syllabus)? Please answer only if you have attended his classes.

I have heard a lot about him but wanted to hear from people who have also attended other teachers and attended MI Sir. How did you find the difference in his teaching?

Regards,

Uma

Your costing classes have been awesome sir!!! Conceptual clarity, ease in learning, excitement of learning are the specialities of your class. You are one of best teachers I've ever seen. Your teaching in costing, sense of humor is so great that we wait for your classes. Thank you so much sir for being our costing faculty. I'm blessed to be your student sir.

MI Sir is definitely the best costing faculty in Bangalore. In one such crash batch I found students have come over from all the other institutes of Bangalore.

What caught my attention was how many were regretting as to why did they not join MI Sir's classes for the regular batch. Anyway, it was an awesome experience for us and we were able to complete most of the complicated chapters including standard costing, marginal costing, budgetary control, process costing, contract costing and non integrated accounts to name a few.

I think I couldn't have asked for more. Join MI Sir and I can guarantee that you will never be disappointed.

MI Sir is definitely the best faculty for Costing in Bangalore.

MI Sir is an awesome and energetic costing faculty who explains all the concepts in an interesting way. It's the only class where I saw same number of students at the start and the end of class. It's only because of his varied style of taking class. Thank you sir.
