Mr. Shurender Kumar ,

First of all , i want to say , you are just trying to do cheap publicity of your self and your cost accountant firm like " Rak hi Shanwant" , who always to desire in in lime light by doing some thing controversy. Your exposures may limited to s mall city , once you join MNC like ours , then no body say you even Surensar ji ,be far from hearing Surendar Sir.

I feel very shame that you dont know the following facts;

Each and every course has its own dimension.Pro and cons Like Medical or law and accounting.

All members are not supposed be at the same level of competence , take your own exampe , can you compete with Co st management Accountant USA,. Your resume will be thrown out , if there is CMA US is before Interveiw panel.

It does show the quality of course , the concerned Instute has maintanaiedn.

ICWA dont have articleship program , then how can CWA students do training , there is no requirement of articleship C omplaint Cell in ICWAI. Then where CWA training will complain you , Aap Ke Ghar main complain kareng?

"Galti wahi karte hain JO Kam karte hain" . Some CA Students do takes dummy , but some also doses traing f rom PWC . KPMG Dellote . and get excellent professional exposures , which you can never imagine as cost acco untant.

I think Even you may hope that your son and daughter get training from the world class firms.

GST certification

I have been in so much places mostly in gulf , even there all accounting firms hires CA or CPA or ACCA. I have n ever seen hiring CWA or CMA .

**You are talking about Torrent hiring cost accountant at RS. 6.8 lacs. I am very happy if cost accounatnt get handsome pack age, ultimately , it is good for whole acco unting profession. But what is your level of GK , you did not hear that Ollam Inter national has offered Rs. 63 Lacs to Fresh CA.**

You are senior professional , but we are not , at least to give due respect to your seniority positions and dont d o comparisuions, please give inputs not juniors , but your the concerned one. Kinldy giv the questions of the fo llowing queries;

Which are the countries where CA or CFA /CGA are not given statutory recognitions?

Which are the countries where CWA or cost and Management accountants have been more statutory back than C A or CPA ?

I am looking forward to hear from you the , but i think you cant give the right answers.
