I have filled ITR and it got processed. But the refund issued is failed due to PAN not linked with the bank account. So I have submitted refund reissue request with another bank account details which is pre-validated in efilling portal. This request also got rejected. How to get my refund and how to check the reason for rejection. Please help on this.

I have raised refund reissue request 4 times with different bank accounts which are pre-validated. But all got rejected. Finally my refund got credited in my account. It took more than 10 days for the processing. Applied refund reissue request on 9/5/2019 and received refund on 21/5/2019. please wait for sometime.
