Kindly clarify...  
We have claimed some GST input in the past. Now we are reversing the same. Should I compute Interest on reversal on GST input on cumulative basis month on month based on what was excess or short claimed or on flat on amount of GST input reversed...

18% interest should be paid while reversal and it should be calculated month on month basis considering the excess days from due date.

••• [pritesh](#) (CA Final student) 🕒 06 February 2019
