A C.A Student Life is full of uncertainty and insecurity. And Game of Cricet also wait for Result of last ball,

A Batsman's good eanings is destroyed by just one good ball similiarly a very good performance of C.A Student can be destroyed by just 01 Run. Then he has to wait for next Game to be held after six months. Where as player has to wait for next match.

Let us compare both - What is common and difference beteen their God - BCCI AND ICAI

Factors :-

a). MODE OF SELECTION OF their GOVERNING BODY

b). OBJECTIVE OF BOTH INSTITUTION

Since no response of question, I assume there is no cricketer present among ca students. its an wasteful, time consuming activity does not go well with C.A aspirants.

They are completed devoted to their course and has choosen self imposed exile.

They are more worried about their carrer and high salaries of M.B.A'S or tough ca exams

hain naa; sachin is studying for ipcc . his attempt is in november 2010. ICAI gave him exemption in cpt.

Dear

Good Shot, I like the innovation in the reply.

i wish sachin best of luck , He really has to leave cricket now, sit in closed room for hours in a day,

If he could go through that.

How about sachin's communication skill, he could face placement problem , he needs to speak little slow and louder.

He might face some height issue.

regards

It is wrong to say that he will face height issue, As academic excellence does not depend on physical attribute, but mental ability play a deciding role

In cricket Saching always falters in crisis situation, when country needs him most , that purest soul, cute player comes under termendus pressure for fulfilling expectations of bilion Indians.

**With this kind of vurnablity can he handle C.A exam pressure.**

Please pray for him, It is life's biggest and most difficult decision he has take.

••• [Ankur](#) (CA Final Student) [🕒 10 June 2010](#)

Please don't give nonsense answers here.....Sachin knows how to handle pressure and his records in finals is way better than anyone in cricket.

It seems you are here for just fun or trolling.....

Please keep your comments to urself and CA course in general.....
