No need to furnish books of accounts but it is mandatory to fill the balance sheet of the partner.

No, no question of books of account, for said sources of Income; except details about partner's gains/loss etc.

Okay, Thank you so much!

Sir, Balance Sheet needs to be filled means we need to furnish P&L and Balance Sheet completely, right? The same what we do through Winman Software, right (if you might be aware of the same)?
