re LTA claim

I travelled to two different places in 2018.

so

1. can I claim LTA for the air tickets of both the places ?
2. if I can claim only for 1 place, then it can be claimed for return tickets or only one way ticket?
3. is there any monetary limit to claim the LTA other than the requirement that the air ticket should be of economy class?

1. yes, you can claim exemption for LTC for the air ticket, an amount not exceeding the air economy fare of the national carrier by the shortest route to the place of destination
