Dear Sushant,

Yes TCS provides SAP training to CAs selected in Campus for FI and CO modules. But it is only for those candidates who are selected for ERP profile.

What about "AP AR SCM" modules?

Dear Sushant,

AP and AR are part of FI module only. So you get to learn them in FI training only.

However, SCM is a module where level of specialization of accounting required is comparatively low.

Also, SCM requires higher degree of technical knowledge.

Because of the competency/specialization of CAs, they are majorly hired for FI and CO modules.
