It is working fine now. I am using Google Chrome. But ACES site is not the official service tax website. servicetax.gov.in is the official website.

I have observed that the site is not working properly. Previously acs.gov.in used to open with google chrome. I have sent an email to acs.servicedesk @ icegate.gov.in (as provided in the help desk tab) mentioning the problem.

Basically the problem is with some parts of the site e.g. login page of service tax. login page of Excise. Other parts are working fine.

I request everybody to drop a mail mentioning the problem to [aces.servicedesk @ icegate.gov.in](mailto:aces.servicedesk@icegate.gov.in) so that the matter may be resolved immediatelly.
