## Simple way to deal with caclubindia addiction

In this wonderful season of account deletion I have some suggestions to deal with your Caclubindia Addiction:

1. Share the current password with any of your trustworthy friend, family member or Admin itself and ask them to change the password without your knowledge. Later on after your exam or commitment figure out your password from that person and join caclubindia again. "Na pata hoga password or na open hoga cacub account". What say???
2. Keep your account activated like Mr. [Ravikumar.G](#), Mr. [S.Srinivasaraghavan](#) and Mr. [Kapil](#).
3. Give respect to the caclubindia Admin and members who allow you to share and contribute with true gesture and main reason behind your addiction. So don't delete your account.

Please do not take caclubindia for granted.

Thanks for comment yaar. So you like the idea at point no. 1?

• (Guest)

Gud Idea sir.....Most of the may2010 aspiring are going to delete their account because they think that CAclub will disturb their study.....but in true sense caclub helped me very much during my PCC exam.

when all of my friends where busy with their study and i was not able to contact them for clearing my doubts CAclub helped me a lot.

If you think that you r addicted to CAclub and this addiction will harm ur study then follow Ankur sir advice

regards.....and bset of luck to all may 2010 aspirants

Agree with you raza bhai. Deletion of account is not the solution to avoid caclubindia.

great suggestions sir..for those who are addicted .. :)

u can request admin to ban their account (temporarily)!

this is the thing that i did with other sites except caclubindia :-)

Agree with all experts and Thanks to Mr. Ankur. I am also thinking why everybody is deleting their account while leaving for exams and othe stuff. There is no use for it, you can use that account later on afer your exams. Now a days, i m also not regularly visiting the account because ofmy tight schedules and Exams in June, 2010. But deleting the account but creating again when u come back is , my view is of no use. Rest everybody has its own way.....

Thanks a lot Mr. Ankur for this discussion.

Regards

caclubindia is a knowlege portal. There should be no thing as addiction. Infact, even during your exam studies, use it as a too; to refresh yourself.

You can use it to resolve queries which you have doubts even from exam point of view.

Deleting account is not a solution. I guess what is required is self control. All the best for May Aspirants.
