Dear Friends,

I have recently cleared my ca final exams in July 2013. and now, I have joined in a firm as a partner. Now my senior partner is behind me to get my membership number and COP. I have filed Form 2 (along with details of the firm in which I have joined as a partner by filing in the point 11(a), partner in-charge in the point 12 & name of the firm in the point 19)in first week of August. I would like to know when I will get the membership number and COP so that i can sign the tax audit reports for this sep 2013. I would also like to know from which website the membership status allotted can be confirmed.(pls give the website link) Kindly make it ASAP.

Regards

NISHA

Hello Nisha

Congratulation on passing the exam. and regarding your membership, you'll get your membership no around 2 weeks through e-mail if everything goes smoothly. The e-mail specifically inform you about your effective date of your membership status. Once you got the CoP you can start sign the audit report. Good Luck

You can verify your name through institute website i.e. ICAI.org under members section or simply you can go to following link:

http://icai.org/new_post.html?post_id=1812&c_id=92

Thanx alot Ankit. For the early reply.

I would like to confirm that, immediately after receiving the mail w.r.t membership number, i would be eligible to sign write?

or should i wait for the letter to come??

Regards

Nisha

I suggest you should wait for mail that confirm your CoP status rather than membership, because you cannot sign audit report based on membership no. and I don't know whether CoP and membership status came in one email or not.

Usually it takes around 30 to 45 days to receive your Membership Number. However, if you wish to obtain it speedily then you may have to contact your decentralized office and get the work done within a week or so.
