Shipping Costs & Delivery Schedule

Continental U.S.

Order total \$0-\$99.99 - \$7.99 Shipping

Free shipping on orders over \$99.99.

To better protect all orders over \$99.99, a nominal fee of \$2.50 to cover insurance will be added to your order.

There is an additional \$3.50 charge for Residential Deliveries. FedEx determines that a residential delivery is one made to a home, including a business operating out of a home. If FedEx determines that an address is a residential delivery, your account will be updated to reflect that change.

Alaska, Hawaii, APO/FPO & International Deliveries

All orders going to Alaska and Hawaii are subject to a \$15.00 Surcharge, plus actual shipping charges. These orders are shipped via US Postal Service Priority Post. At this time, Marlo Beauty Supply is not processing orders outside the United States or orders going to APO/FPO address.

Actual shipping charges are based on the weight of the order and the method of shipping. Due to the chemical content or manufacturer restrictions, certain items cannot be shipped. Customers will be contacted via email if their order contains any such items. They will also be notified of exact shipping charges, all of which must be approved by the customer within 5 business days.

Shipping Times

All orders in by 2pm EST M-F are shipped out from the Marlo Distribution Center on the same business day. All orders will receive an e-mail confirmation when the orders are shipped. Orders placed on weekends or holidays will be shipped the next business day.
