APEX World 2019 - 10th anniversary!

10th APEX World Anniversary
25 & 26 March 2019

World's biggest APEX only event returns in 2019 for her 10th year! The opportunity to familiarize with Oracle's unique and own low-code environment: Oracle APEX, or to broaden your knowledge by learning from Dutch and foreign experts. There is, of course, also time to network with colleagues, share experiences, get in contact with business that Oracle APEX successfully supports and partners who help them with that. Some prominent members come over from Oracle product management in America: Joel Kallman, Hilary Farrell, Shakeeb Rahman and Jason Straub! They organise the keynotes and are present the entire event for all your questions and remarks.

APEX World is the opportunity to get to know more about the newest developments from and for Oracle APEX: App Builder Dark mode, REST enabled Forms, better Data Loading Wizard, latest JET and JQuery version, APEX JavaScript API Reference.

The complete agenda with all sessions can be found here:
www.apexworld2019.com

APEX World 2019 will again take place on the SS Rotterdam on the 25th and 26th of March. Special for this anniversary edition is a remarkably appealing program presented for the participants:

- Opening by Jaap-Jan Wever, Vice President Cloud Platform, Technology Sales Business Unit Leader Oracle Netherlands
- A special beginners track and during every breakout, a session for starters in Oracle APEX, ideal for those who want to know more about the possibilities of this platform
- Many deep dive sessions for those who are already familiar but want to broaden their knowledge
- An extensive party-night with a luxurious dinner buffet.

We are pleased to announce the full line-up for our APEX World event of 2020, 'Autonomous APEX'.

[Tweets door nl_OUG](#)

- A special track with short customer success story's with companies that realized business critical applications using Oracle APEX technology.
- A separately accessible Business seminar "The Future of APEX" free access for participants of APEX World
- Workshops for students from academies/ universities that can build their first low-code Oracle APEX application via hand-on sessions (BYOD)
- A live #orclapex quiz in which participants can test their knowledge and can win a nice prize
- Outstanding catering during the entire day
- A lounge with sponsor stands, companies that help around Oracle APEX that would like to tell more about their specific added value
- The 26th open MIC breakfast in which you yourself can share your own special Oracle APEX code with colleagues
- And more.....

New this year is an event app in which participants can see their program, the link will be sent in the beginning of March for those who signed up.

Sign up soon to ensure your presence during this unique event. There are a limited amount of places! Since it is the 10th edition, companies that are with nIOUG can be represented by an unlimited amount of participants!
