**Curriculum**

The Provider offers a range of programmes, on a short course credit bearing basis, to Chinese students, who come to study for a three-month block on the campus. The courses are delivered under the brand name of China Connected. Courses on offer include Business Chinese Mandarin, Doing Business in China and Living and Working in China. Additional courses, which are delivered under the name Business Re-connected Series, are Unlock Your Creativity, Harness Your Creative Talents, Excel with your Creative Power and International Education Taster. The provider will also offer a range of Continuing Professional Development (CPD) modules linked to the International Postgraduate Certificate in Education, which is validated by the University of Wolverhampton. The CPD modules to be offered are currently under development with the University.
