I have a query about the 45 sections of Companies Act, 2013, which are made applicable by the ICAI for CA Final Examination in November 2014 that whether those 45 sections clearly abolishes the related old sections of Companies Act, 1956 or we have to study those sections alongwith the new 45 sections.

You need to write your answer in light of Provisions of 45 applicable section of Companies Act 2013. But advisable to study old provision as well in case difference between old and new provision is asked. Please note that in addition to 45 section Provisions of Chapter IX - Accounts of Companies and Chapter X - Audit and Auditors of Companies Act 2013 are also applicable for CA Final Nov 2014 exams.
