From passing the 10th exams to passing CA final exams.  
 From gathering immense knowledge to applying this knowledge.  
 From being far away from parents to living with them in your self occupied house.  
 You achieve this. You are a CA.  
 Getting your membership to filing the clients returns.  
 Making relationship at the classes to entering into corporate world  
 You are a CA.  
 Developing strategic alliance to being mature through reliance...  
 You become the CA.

I know this is not a query but writing this thought to share it with you people. 😊 😄
