I.B. Tauris

Welcome to I.B. Tauris on the Bloomsbury site.

I.B. Tauris has long been recognised as a world leader in Middle East studies and has a major presence in Politics & International Relations, Philosophy, Film and Visual Culture. Acquired in 2018, I.B. Tauris's catalogue aligns with Bloomsbury's academic publishing in the humanities, and broadens our programme in the social sciences.

The Middle East & Islamic Studies list brings together academic and general interest books on the history, politics, cultures and religions of this region.
