THE TOWN OF VILLENEUVE-MINERVOIS

For you, the inhabitants of Villeneuve-Minervois, we have produced this site to provide you with essential information to help you with your daily life in the village.

For you, your friends, neighbours and visitors we wanted to project a modern image of our beautiful rural village. Our village, with its rich history of viticulture, trufficulture, and forestry is turning resolutely towards the future.

With this site, Villeneuve-Minervois, a traditional village in the Midi, will take you on a journey and show you its secrets in squares hidden from the sun, its charming streets and its remarkable attractions.

Welcome to Villeneuve-Minervois

Mayor of Villeneuve-Minervois
